

Music School Opening Times

The School is normally open all year round except for the period between Christmas and New Year, and Bank Holidays. Occasionally there will be other times when the school will be closed, but you will always be notified well in advance if there will not be a lesson for you.

Instruments

The School is equipped with keyboards and electronic pianos for you to use. As well as drums, guitars and amps. Most instruments can be hired, where available, if students do not have their own instrument. There is a refundable deposit of £50 for saxophone and flute and £25 for guitars. A charge of **£3 per week to hire** will be taken until the instrument is returned back to us.

Examinations

London College of Music (LCM), the Associated Board of the Royal School of Music (ABRSM), MTB, Trinity and Rockschooll practical and theory examinations are available to everyone who wish to take them. The courses and examinations we offer are regulated and accredited by the QCA (Qualifications and Curriculum Authority) and are incorporated into the NQF (National Qualifications Framework) – your guarantee of quality. The higher examination grades also gain UCAS points, used to gain entry to Universities and Colleges.

Missed Lessons/Holidays

Our holiday period runs from 1st January to 31st December each year.

A holiday allocation of 6 week plus one additional week at Christmas has already been calculated and deduction from the subscription price. This allows the payments to be consistent and stay the same for each month regardless of number of weeks.

Notice of Holidays are still required at minimum 24 hours before hand.

Cover Teachers

Cover teachers may be provided should the teacher be absent. If you do not wish to take your lesson, this will either be classed as one of the following:

- As one of your holidays (as above), or;
- The full lesson fee will be payable.

Student Progress

The progress of each student is constantly monitored and, whilst we try to keep our class time the same, we will suggest an alternative if this is thought to be in your best interests. We will also endeavour to find another time slot for you if your allocated class time becomes inconvenient for you either occasionally or on a permanent basis. This is, of course, dependent on there being a suitable space on our timetable.

Lesson Durations

Standard lesson duration is either 30 minutes or 1 hour (if available).

Long Term Breaks From Lessons

If you find that you are unable to attend lessons for an extended period but wish to resume at a later date, you have the following option:

If you wish to keep your place and lesson time, you must pay for all missed lessons once your holiday entitlement has been used up. This way your place in the School and your class day and time are kept for you.

Leaving Bromsgrove School of Music

If you wish to terminate lessons at Bromsgrove School of Music, 4 weeks' notice is required.

If you let us know on the day of your lesson, then only 3 further lessons will need to be paid for.

If we have been notified any day after the due lesson, there will be a further 4 weeks of lessons of which payment will be required.
